Internal Academic & Administration Audit Report Comprehensive Report 2016-2021

Dated:30th September 2021

I bring to the kind notice of the Principal that Internal Academic and Administration Audit Report (Triple A) was conducted in our college by the IQAC Coordinator and the various Audit team framed for the same.

The Auditing started form 14september 2021 to 29th September 2021 after visiting each Department and Committee it was observed that certain documentation needs to be more authentic and accurate and certain committees and department were also given feasible suggestions as per the NAAC requirement and for the better presentation of the department or respective committees.

Separate Compliance report is given to the Department heads and Committee conveners too, which if, implemented with more care and deliberations that would help the college to face the NAAC Re-accreditation.

Cooperation of the staff and Head of the Institution will lead to betterment of the grade of the college.

Thanks and regards

Srilakshmi V Kittur
IQAC Coordinator

Co-Ordinator
