

## **3.2 Innovation Ecosystem**

### **3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge.**

Innovation Eco-system – The institution has not created a specific Eco-system for Innovation in the colleges. However, the institution is been encouraging the faculties and students to participate in various seminars and conferences at National and International level and also help faculties to publish their papers in various reputed journals. The College Research Committee bridges the gap between learning and research related activities. As part of Incubation Centre, the college do not have a formal incubation Centre, but it encourages young enthusiastic to be entrepreneurs to participate and show case their talent in Product Launch events, Business plan presentation event both in Inter-class and Inter-collegiate competitions being held annually. The activities related to holistic development of the students will be chalked out and is followed as per the Calendar of events of the college.
