

MASTERS OF COMMERCE (M.Com)

Vision

1. To develop expert professionals and researchers in commerce who contribute meaningfully to the global economy.
2. To be recognized as a center of excellence in advanced commerce education and ethical business practices.

Mission

1. To offer a comprehensive and updated curriculum that enhances analytical, research, and problem-solving skills.
2. To prepare students for diverse career paths through practical exposure, research opportunities, and ethical training.

Affiliated to - Bengaluru City University

The M.Com Department is the powerhouse of advanced commerce education within the college, shaping the next generation of industry experts, researchers, and innovators. It transforms ambitious students into skilled professionals with deep expertise in finance, accounting, taxation, and economics—fields that drive every business and economy. This department not only bridges the gap between theory and real-world application but also sparks curiosity, critical thinking, and ethical leadership. By fostering cutting-edge research and strong industry connections, the M.Com Department fuels the college's mission to cultivate visionary graduates who are ready to lead, innovate, and excel in a rapidly evolving global marketplace.
